The spectacle presented by his wretched father, thus fearing for a fully establish George William Gordon of the local papers fully establish george with the local papers fully establi life even dearer to him than his own, was with the to all rout middles at Morant Bay. Letters were found in Lawthe beholders, notwithstanding the personal perils they were under. When the company had retired to the school room, and indicating the Baron Von Ketelhodt, a volley came through one of the windows, and the Aaron, holding his hands up to his breast, said, "My friends, I have it has been had seen and the school room and indicating the Baron Von Ketelhodt, the Rev. Mr. Herschel and others, as victims, whose escape from the bloody death designed for them should on no account

of a woman, who took the little innocent away and conveyed him to his mother.

Mr. A Cook and Mr. McPherson hid under the flooring, but the glare of the fire betrayed them, and they were pulled out and butchered.

The Rev. Mr. Herselyel kneeded down. and butchered.

The Rev. Mr. Herschel, knocked down on his knees, in vain sued for mercy and offered ransom; the blows fell thick upon him until he was laid low, and while the to poverty, with a large family of small children dependent on her manual labor for daily food, she made a variety of experiments to ascertain what articles could be purchased for the least money, and would at the same time "go the fartherest," by keeping her children longest from crysing for something to eat. She soon discovered that when they ste buckwheat of the mountains, where most of the negroes live, in hovels of their own building, down in the gullies, ravines and convenient spots for hiding and holding secret meetings nightly, and generally from midnight towards morning, assembly keeping her children longest from crysing for something to eat. She soon discovered that when they ste buckwheat SCENE AT THE EXECUTION.

On the north stands the ruins of the late Court House, like a huge spectre, as a wit-ness against its sad despoilers, and before man remained concealed in the house it is the beam, and the crutched supports, and the ropes for so many necks. Imme-nen who had brought wounded compan-ons there to be dressed, that "they had shopped up that fallow Stephen Could be able to find into that his wife would not be able to find in that his wife would not be able to find a piece of him." The unfortenate woman with difficulty suppressed a shriek, which had she uttered it might have at once flanked on the right by the rebei women, and on the left by the twenty-two prison ers I have named landed from the Cordelia Mr. Marchalleck's, and that gentleman summoned by the rebels to come and take charge of him and lock him up out of harm's way.

On the west are a few of the gentry and inhabitants of the town. The east side is an open space. To the northeast stand harm's way. While Dr. Gerard was about, parties army and navy, &c., and in the centre is the Provost Marshal. All is silent as the grave round that solemn spot where stern justice is to be administered. The soldiers, being a doctor, they would chop him up with loaded rifles, line around in the rear fine, and warning him by what they had of all, and the police are the guards for the ine, and warning him by what they had fone of the necessity of sticking to them if culprits. While the Jack Tars are adjustines he was embraced and patted.

While Mr. Cooke lay concealed under the few seconds left to wretched the few seconds left to wretched. times he was embraced and patted.

While Mr. Cooke lay concealed under the house he heard distinctly each dreadful ect of murder, and could tell the vietims by the exclamations of the mob. He heard the dying groans of Mr. Price, who like the viete calls out one by one the names of prisoners to be executed. Lawrence was first called. As the rope was placed to his lay with his entrails protruding, having around his neck the blood rushed to his face, and every one thought he was going The Custos got hold of a sword, and sold his life dearly. The mob jointed his fingers, leaving them hanging by some small teguments, and laughingly dangled them about with the jeer. "Now you write no most lite to the customer like the late of the vest lite to the customer like the late of the vest lite to the customer like the late of the vest lite to the customer like the late of the vest lite to the vest lite of the vest lite to the vest lite to the vest lite of the vest lite to the vest lite of the vest lite ness, unexpectedly, to the execution of the man who, all believe, was the murderer of Mr. Georges escaped by crawling into some penguins after he had been shot in the thigh. Mr. Price before leaving the school had generously handed his revolver visited upon the head of this arch villain. hush. The Provost Marshal puts hi watch to his ears to ascertain if it is still going, then he holds it in his hand, "Are ready?" "Yes, sir!" "To be hung! nounced loudly the Provest Marshal think man, who had checked his fall The planks are withdrawn, and the bodie of these plotters against peace and order life and property, swing in the air. NEARLY TWO THOUSAND REBELS SHOT AND HANGED.

sondence Kingston Standard. It may not be altogether uninterestic your readers to know that slightly ove e thousand rebels have been hanged and shot in the parish of St. Thomas in the East up to date; and it is not at all unlikely that ere the different courts martial close their strings, there will be for ere two thousand who will have paid the penalty of their vile attempt to exterminate the white and colored races of this island. The Assault on Mr. Vallandigham.

The Cincinnati Enquirer has the following in regard to the assault on C. L. Vallandigham at Eaton:

The statements made by the Com cial of yesterday, in regard to an assault upon Mr. Vallandigham, at Eaton, are, stant sounds of the rot, and men she inside the cause of the disturbance, and incired of him about Mr. Welton. With remaining in town all day, and at the ho-tel till some time after dark. He went g the answer. "Yes," he added, killed directly to the depot, and the train being behind time, remained at or near the deive dug out his eyes."

"And my father?" she cried, almost the cars, some cowardly ruffians threw stones. The train remained at the depot for a quarter of an hour afterward, but nothing occurred except loud talk and threats outside. Mr. V. came down to The almost paralyzed lady had just the city the same night, and remained till evening.

A New Cholera Theory. Dr. Amire, a physician of Paris, who says he has studied the disease in the East, asserts that in those countries no doub exists as to its cause, which is nothing else than very small animalculae of a specia kind, oviparous, and, and multiplying with THE LEADER IN THE REVOLT.
